Abingdon School

Abingdon School appointed Pinnacle Furniture to refurbish multiple areas of the buildings within their campus, including the Headmaster's office, the Common Room for staff and several classrooms.

The rich heritage is one of the factors which attracts students and parents to the School, as well as the continuously excellent academic results. Following the development of the newly built Beech Court, the School felt that they could reshuffle areas of the School to increase functionality and to give them a new lease of life. This was a large project with many different spaces, all with individual requirements so we met with the key stakeholders regularly to update them on new design ideas and gather feedback.

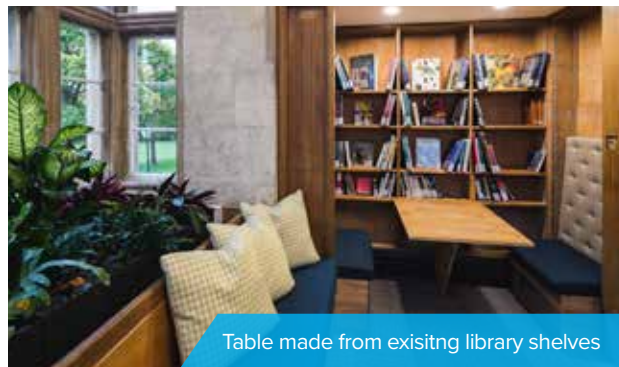

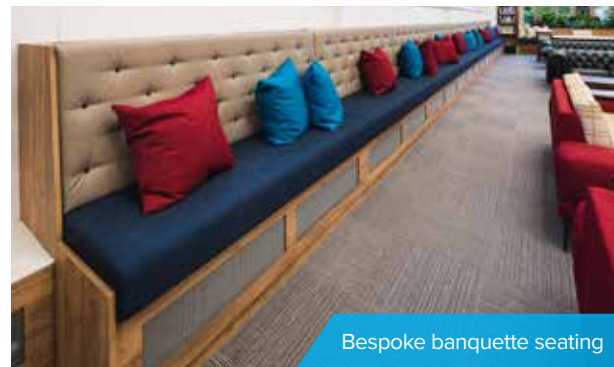

Table made from existing library shelves

Bespoke banquette seating

TeacherWall

Magenta and grey soft seating

Sketch cubes with a Myriad table

Solid wooden desk for the Headmaster's office
